

WE REPRESENT TENANTS

We're the most active and experienced tenant representation team in the suburbs of the Greater Toronto Area (GTA), and as such we're proud to offer the insight and resources you need to learn about the GTA suburbs and why they are becoming the leading locations for corporate users. We know there is power in the periphery and we focus on representing companies in, or relocating to, the suburbs of the GTA.

As a result, we've developed relationships with companies all across the globe and assist with their multi-market locations, by leveraging our colleagues in those markets.
